

# Introduction of „OktoberTech“ (日独オクトーバー技術交流会)

Infineon Technologies Japan K.K., on behalf of the German Chamber of  
Commerce and Industry in Japan

21 June 2023

## About OktoberTech (“日独オクトーバー技術交流会” in Japanese)

- **Accelerate German-Japanese collaboration** in Digitalization domain
- **Deepen insights together** on innovation for addressing social challenges such as aging society, labor shortage, etc.
- **Provide networking opportunities** with key innovation leaders

**Excerpt from the Joint Working Plan** of the Ministry of Internal Affairs and Communication (MIC) of Japan and the Federal Ministry for Digital and Transport (BMDV) of Germany, April 29, 2023:

- **“The ministries will further promote public-private cooperation** by encouraging Japanese and German companies to work together to drive the development of ICT technology and digital-related businesses. In this regard, both sides highly appreciate and will continue to support the successful and proven format of the Japan-Germany ICT Policy Dialogue, including its industry-government consultations, as well as **other private-sector initiatives such as the Digital Event of the German Chamber of Commerce and Industry in Japan to promote cooperation between Japanese and German industry.”**
